Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Wednesday 25 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Plenty of sunny spells to end the week.

This Evening and Tonight:
A largely clear and dry evening. The chance of patches of fog forming in upland areas overnight. Some cloud pushing in from the east in the early morning. Minimum temperature 10 deg C (50 deg F).

Thursday:
Any fog clearing through the morning. Cloud in the east clearing westwards, making way for plenty of clear skies and sunshine. Remaining dry and feeling warm in the sun. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Sunny spells on Friday but becoming cloudier as we move into Saturday. Skies clearing on Sunday making way for plenty of sunny spells.
